SHARRON DAVIES

Pam Ayres

During the past six months, we've received growing numbers of letters from young chaps out there, seeking advice on how to pull a 'tasty bird' like Sharron Davies, Fiona Wright or Pam Ayres.

Until now, THE BENDY MONSTERS have remained tight lipped about the secrets of their success, but now at last, they're ready to share their experiences with you in

THE BENDY MONSTERS GUIDE TO PULLING BIRDS

1. Put your date at her ease by cracking a few jokes. Farting jokes always go down well. During the late-night smooch tell her the one about the constipated policeman and the Yorkshire Terrier.
2. Pretend you're a 3rd division footballer by wearing a chunky identity bracelet.
3. For an instant family, why not try singles night at 'The Cannon'?
4. Play hard to get, kill yourself!
5. Degrade yourself. Join Jimmy Savilles 'Young Chippendales'.
6. On the anniversary of your first date, book a table for two at Harry Ramsdens, the worlds biggest chip shop!
7. Avoid emotional traumas & run up an enormous phonebill. Order an extra box of Kleenex for the weekend.
8. Buy her a drink. Stick a pickled onion in for good measure.
9. How to pull a rock legend! Hang around Sonia's dressing room. After eight pints suddenly burst in shouting 'Scouse bitch! Scouse bitch'.
10. Get to know the 'in-laws', then run off with them to a secluded Lincolnshire hamlet and burn them alive.

S/S SICKO.

SCNORBITZ TEARS

Bernies body's caught offside,
they rang the bell on the day he died.
Crowds camped out, outside his home,
showbiz chums stayed off the phone.
Schnorbitz' future's far from clear,
the Wafcol Mixers far too dear.
Leave a mark of thy intent,
A Winters of our discontent.
Bernie's dead, he was so brave,
it's an adlib from beyond the grave.

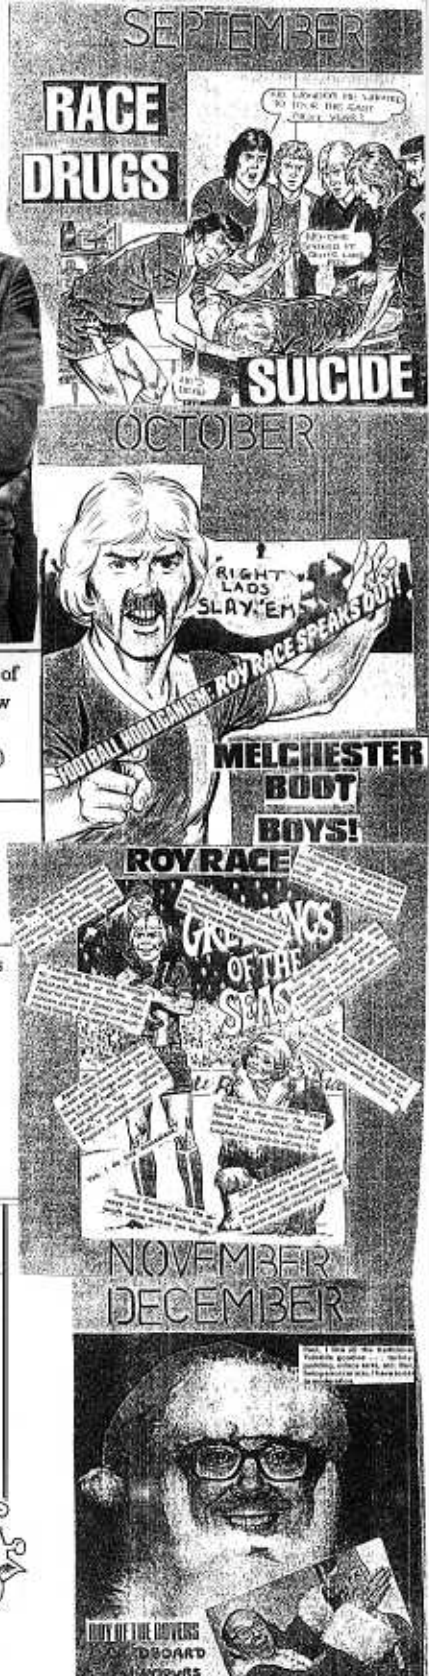

There's a story to be told,
'cause all that glitters is not gold.
Coin a phrase, coins in his eyes,
a dead celeb shrunk down to size.
The hounds of love are chasing fame,
what lies behind a canine brain?
The heartless heart ruled by the head,
he's happy now that Bernie's dead.
'cause all that glitters is not gold,
Bernies story will soon be told.

Touching tributes from the stars,
they drive around in big black cars.
Schnorbitz sighs in false relief,
and leaves a mark upon a wreath.
She prayed to God for further pains,
and voodoo dogs guard wet remains.
Bernie tried to do his best,
Schnorbitz smiles as he's laid to rest.
And speed back home to Golders Green,
to one proud owner, self unseen.

Schnorbitz tears fall down his face,
tears of laughter.

Relive the golden age of the sixties with the new amazing 1000 piece Harry Cripps (Everton) jigsaw!

LIFE WITH LIZA

July sees the publication of Alvin Stardust's turgid account of his marriage to actress Liza Goddard. During their stormy relationship, Alvin was allegedly subjected to a humiliating string of events which left him on the brink of insanity as Liza allegedly

1. Accused him of a fling with fellow Rock Gospel Show star Sheila Walsh.
2. Changed his name back to Shane Fenton without telling him.
3. Laughed at the size of his knob.
4. Farted in his face, whilst he was asleep.
5. Went hysterical after hold told friends of her teenage sex trauma with 'Skippy the Bush Kangaroo'.
6. Went on honeymoon with Bonny Langford.
7. Didn't wipe her bum properly.
